One simple tool to change the way you view your life.

Darci Lang Introduction

Darci was invited here today to share her one tool, Focus on the 90%. She will ask you the question, where do you focus your magnifying glass at work, with coworkers, with your clients and in your personal life?

Darci Lang is proud to call Regina home. She is an entrepreneur three times over, a professional speaker, a best-selling author, a wife to Darren and a Mom to Jayda and John.

She has won The Saskatchewan Woman Entrepreneur of the Year Award and an Achieving Business Excellence Award. Darci has also been a finalist in the Canadian Woman Entrepreneur Awards, The Young Entrepreneur of the Year Awards and nine other nationally recognized business excellence awards.

Darci is truly someone who “Walks the Talk”.
